Summary

I am a passionate graphic and web designer with an interest with working with like-minded people in the tech and creative environments

I have 5+ years of experience in client work and solo projects as well as being a part of a work force

I have worked to extensively tight deadlines in multiple work environments; in the office, on events sites and printing warehouses

I have a **strong** understanding of the printing process and have built up rapports with printers whom I've worked with on multiple occasions

I enjoy working with peers and look forward to meeting new people in all prospective work environments
